

TEDx Talk on Vikalp Sangam

Author - [TEDx event], Published on - 15.3.2019

TEDx Talk on Vikalp Sangam by Ashish Kothari at Flame University

Ashish Kothari, an environmentalist, inspires us to think and plan for the future, to focus on the positives, on the solutions, for a better life. He inspires us to dream.

This talk was given at a TEDx event using the TED conference format but independently organized by a local community.
