

COVID19: Relief and alternative initiatives in India

Author - , Published on - 9.4.2020

A group of volunteers have created a blog to regularly update information about relief efforts and alternative initiatives linked to the COVID19 crisis, taken up by civil society organisations across the country.

Please follow this link for regular updates: <https://vscoronatimes.blogspot.com/>

Please circulate widely in your networks and also email us at aevsangam@gmail.com if you come across any stories/information that can go up here.
